MUSICAL ARTS SERIES

The Musical Art Series/Port Clinton has been providing classical, jazz, and folk music concerts to our community since 2000. Over these years we have hosted many fine artists and groups from northwest Ohio, across the United States, Europe, and Australia. Our original four concert season has evolved into a seven-concert season, with occasional “surprise concerts” added to the schedule. We are incorporated as a 501(c) 3 organization in the State of Ohio. While the Series is not directly related to Firelands Presbyterian Church, we have continued to enjoy a close relationship and have greatly appreciated the fine acoustics of this contemporary-style venue.

Seven years ago, we began to schedule an “off campus” series that provides concerts to seven county-wide nursing homes and retirement communities and to Port Clinton Schools. The school concerts include an annual “Toledo Opera on Wheels” presentation.

We are pleased to be able, through generous sponsors, to offer high quality musical performances to our community at a modest ticket price. There are not many communities that can boast of such a series. We value your support and commit the Musical Arts Series to your enjoyment.
